Dear Parent:

The Martha's Vineyard School District through the Island Insurance Agency, Inc., will be providing accident insurance for all enrolled students. The master policy will be on file with the Superintendent of Schools. This letter is intended to give you a brief summary of the coverage, claims procedure and available option extensions.

The coverage outlined below will be in effect for students while at school, traveling to and from school, and at school-sponsored activities.

Overall Maximum Payable	\$5,000,000
Dental limited to sound natural teeth	Usual/customary
Non-surgical physicians visits	Usual/customary
Hospital room and board	Semi-private
Benefit Period	3 years
Accidental Death Benefit	\$10,000

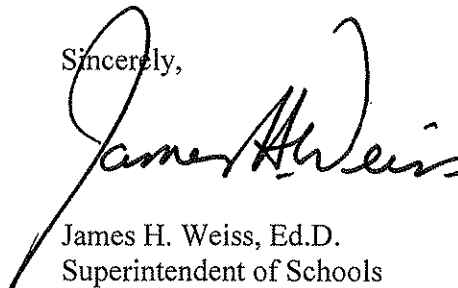

In the event of an injury to your child, you must obtain and submit a Notification of Injury form from the school office and follow the claim instructions.

Please keep in mind these points:

1. This is an ACCIDENT Policy only. SICKNESS IS NOT COVERED.
2. This policy will only respond after all other policies have been utilized.
3. We advise you to submit a claim form to the student accident insurance company at the same time as your personal insurance.

24-hour coverage will be available for purchase during the month of September. Please contact the Island Insurance Agency for the application.

Sincerely,

James H. Weiss, Ed.D.
Superintendent of Schools
