August 2017

Dear Families of the class of 2020;

**Welcome Back!** I hope you are enjoying a wonderful summer. We have all been working hard to get ready for this exciting new school year.

***Just a few things we're excited about:***

- **FLEX BLOCK** — A great way for students to connect with teachers and other staff members.
- Amy Lilavios and Matt Malowski will be returning as the class advisors.
- **CLUBS & ACTIVITIES FAIR** — scheduled for mid-September. This is a great way for your student to learn about all of the exciting ways to get involved, discover their special talents, or express their creativity. There is something for everyone.
- **LUNCH** — Time for lunch has been increased to 25 minutes.

The easiest way to pay for lunch is to deposit funds ahead of time into the “point of service” system which your student can access in the cafeteria. Deposits can be made by giving a check made out to MVRHS to the front office or directly to the cafeteria staff.

Information regarding the Free or Reduced Breakfast/Lunch Program is available.

Contact the high school at 508-693-1033 x114.

- Our hard working and conscientious custodial staff has been busy cleaning the facility, upgrading the windows, working on general maintenance, and improving the front of the building in anticipation for the start of this new school year

***Some quick reminders:***

- Preseason sports are starting in a few weeks. Football starts August 18. All others start August 24. [Make sure you complete the appropriate sports registration through FamilyID](http://www.familyid.com/) (<http://www.familyid.com/>). Questions? Contact our Athletic Director Mark McCarthy at [markmccarthy@mvyvs.org](mailto:markmccarthy@mvyvs.org)
- Annual Student Registration through FamilyID for all students by AUGUST 30.
- We will be posting our Back to School Packet on [www.mvrhs.org](http://www.mvrhs.org) around August 10. Those materials will contain information about bus routes, the school schedules, supplies, etc.

We are looking forward to a productive partnership to ensure all students can achieve their highest potential. We know a strong partnership with families will make a great difference in each student's education. We are committed to everyone's success.

Please feel free to contact me with any questions or concerns regarding your student.

Sincerely,

Barbara-jean Chauvin  
Assistant Principal for the Class of 2020
