## **Announcements:**

### **Children's Book Drive:**

National Honor Society is working with ELYse Bonnell to collecting Children's new or slightly used books to donate to the Edgartown Library. They will be handed out on Wednesday when children come and visit Santa. There is a box in the front office to collect donations. The last day of collections will be on Tuesday, Dec. 18th.

Help Support your community by donating to the Food Drive and Children's Book Drive.

### **Food Drive:**

The student Holiday Food Drive was a huge success! Thank you to students and staff for all the food donations and spare change which will benefit island elderly as well as our own high school students in need over the holidays.

### **The Yard brings a visiting artist to MVRHS!**

Muslim hip-hop dancer and choreographer, Amirah Sackett, is an internationally recognized artist and is on the Vineyard working with The Yard's education program, MAKING IT. The workshop offered to the high school will be a mix of up close performance (students will sit on stage), discussion about her process and how being a Muslim woman has influenced her work, and the students will learn a short phrase. This is meant to be presented in a more intimate way so that the students have room to ask questions. A second opportunity will happen during her January visit.

## **Seniors!**

**Senior Square due dates have been pushed back to January 4th!**

There are instructions and tutorials on [mvrhsyearbook.weebly.com](http://mvrhsyearbook.weebly.com) or students can schedule a Flex with Ms. Todd.

### **PE Class Discussions:**

During this week students will be participating in a program called *Catch My Breath*. This will help students build their knowledge and skills to resist media influences and peer pressure to try E-cigarettes.

This past week 22 student leaders were trained to facilitate small group discussions and activities as part of this health education program. The classes will run most of the week in PE classes for those students in PE and again in the spring for those students.
