Following the lead of thousands of students across Europe, the Protect Your Environment Club will be organizing walkout demonstrations during Friday's FLEX to raise climate change awareness.

If you would like to take part in the Strike 4 Climate demonstrations please sign up for Strike 4 Climate. A reminder that this is an organized event, there will be attendance, and students must be vetted by Mr Hall and PYE by having a picket sign submitted during Thursday's FLEX prior to walkout, so drop off your picket sign in Mr Hall's room on Thursday. That will be when his final attendance will be created. If you're worried about missing this event due to floor hockey, sign up after break. This will be an ongoing demonstration.
